2. Permitted Uses

The Media may be used for any lawful purpose, including art, illustration, promotion, advertising, marketing, editorial publication, portfolio presentation, professional exhibition, website publication, social media, broadcast, and commercial or non-commercial trade. Subject waives any right to inspect or approve the Media, any finished product, or any text, caption, advertising copy, or other material used with the Media. Creator has no obligation to use or publish the Media.

4. Consideration

Subject acknowledges that the opportunity to be photographed, filmed, recorded, or otherwise participate constitutes good and valuable consideration and is sufficient consideration for this Agreement. Subject agrees that no further compensation, residuals, royalties, or other payment will be owed by Creator or any third party for any use authorized by this Agreement.

5. Release of Claims

To the fullest extent permitted by law, Subject releases and agrees to hold harmless Creator and Creator's licensees, successors, assigns, and authorized representatives from all claims, demands, liabilities, and causes of action arising out of or related to the creation or authorized use of the Media, including claims based on privacy, publicity, defamation, false light, or alteration of the Media.
